EXPERIENCE

Photographer and Photo Editor Intern

Cummins Meritor / Florence, Kentucky

January 2024 - May 2024 / August 2024 - January 2025

- Independently photographed and edited 360° and stills product images to be displayed on the eCommerce website and advertising material.
- Oversaw a studio space and studio assistant ensuring smooth operations and timely delivery of photoshoots.
- Led photo shoots using studio light setups, backdrops, and CaptureOne to lead photoshoots of large parts and headshots with attention to detail.
- Collaborated with multiple departments to successfully execute projects and accommodate special requests, ensuring timely execution.

Archival Intern

Cleo Redd Fisher Museum / Loudonville, Ohio

June 2023 - August 2023

- Handled, documented, and photographed artifacts to expand the digital communal archive.
- Completed historical research to properly access how to properly care for and document artifacts.
- Created a fun and educational environment for adult and children guests alike for the duration of their visit.
